

# Don't pull the wrong plug ...

Lasers Are Us design and supply Picture Plugs and Cordsets, so you don't pull the wrong plug ! Picture-Plugs and Cordsets are essential, everyday items for the world's leading companies that want to demonstrate quality control, identification and branding.

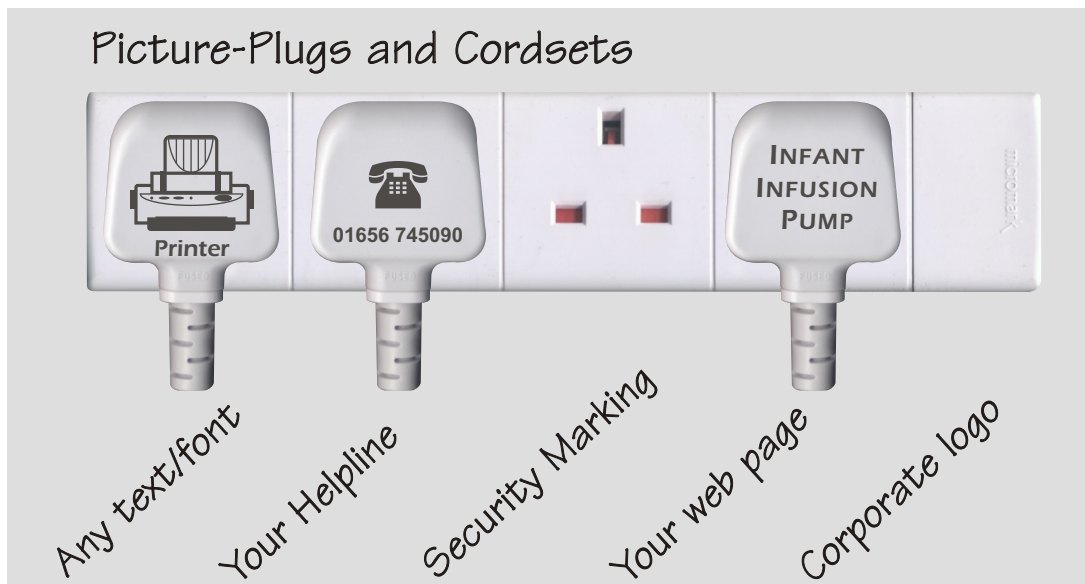

## Be different ...

The marking, which could be an identification description or corporate logo is highly visible, extremely useful and very different to the millions of plugs and cordsets in use everyday throughout the UK.

## ... and stylish

Differentiate your electrical product with a functional and stylish, permanent laser print. Whether its an important description or logo, you know it makes sense...

## ... and save !!

Lasers Are Us provide Picture-Plugs and Cordsets to Medical, Computer and Industrial companies.

The mark is produced by a laser, so it is fully permanent. The mark cannot be rubbed off even with the strongest cleaning chemicals and detergents.

## Be an Industry Leader and take your product forward
